2004 Ford F-250 Lariat 4x4 with 144,000 miles. Truck runs and drives strong and overall is very solid and reliable. The bed rails have rusted and requires either new bed rails or a replacement bed. The cab corners and driver's rocker is also rusted as shown in the photos. The frame and underneath otherwise are solid and only some light scaling surface rust. Great opportunity for someone to fix the bed or concert into a flat bed or farm truck. Photos show it well if you require any

additional photos please ask.
