Installed Options

Interior

- Air bags, frontal and side-impact for driver and front passenger and head curtain side-impact for all rows in outboard seating positions (Head curtain side air bags are designed to help reduce the risk of head and neck injuries to front and rear seat occupants on the near side of certain side-impact collisions. Always use safety belts and correct child restraints for your child's age and size. Even in vehicles equipped with air bags and the Passenger Sensing System, children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front of a seat of any vehicle equipped with an active frontal air bag. See the vehicle's Owners Manual and child safety seat instructions for more safety information.)
- Air conditioning, rear manual
- Air conditioning, tri-zone automatic climate control with individual climate settings for driver and right-front passenger and second/third row controls for second and third row passengers
