www.wallaceautostore.com Our local ASE Certified shop just did a complete inspection to find no issues with the truck. This is a southern truck with the exception of 1 year up North. NO RUST! The exterior is in good shape with no dents or dings and the

interior is just as nice with no rips in the seats or stains in the carpet. Tires are in good shape with at least 80% tread remaining. There are no hazard/warning lights on in the dash.
