Description from the owner:

*"Rebuilt 273 Commando V8
Auto, A/C, front disc, Posi
All numbers matching
Power top
All mechanicals and suspension New or Rebuilt*

This is just a summarized list of all of the repairs, replacements, modifications and improvements that have been completed on the 1966 Valiant for Sale.

All of this was completed between 2015 and 2020 by Eric Haddox and WildKard Kustoms.

*Rare Edelbrock LD4B intake (Mopar Part available from Dealer)
In the Trunk...Saved all original intake and exhaust manifold, valve covers and air cleaner...Highly sought after...*

Rebuilt and modified Transmission and Torque Converter including Shift Kit.

Rebuilt entire rear end/differential and added 3:55 gear ratio to SureGrip.

Complete rebuild of brakes including addition of era correct Kelsey Hayes power front disc brakes.

All suspension rebuilt or replaced including shocks, and bushings.

Alternator, starter, electronic ignition, battery and all cables replaced.

Sound deadener installed in complete passenger compartment and trunk.

Seat foam replaced.

Door sills and carpet replaced.

All rust removed and replaced with metal and repaired/painted.

Everything used under the hood is new....Gas tank is new.

Brand new wheels and tires with matching spare.

Door panels/Console rebuilt/replaced.

New ceramic coated headers and exhaust system.

Completely rebuilt/replaced HVAC system.

I probably still missed a few things but if it looks like it was touched it was rebuilt or replaced!

Regards and congratulations to the new owner, you have a very special and rare care...Chrysler says one of less than 12 similarly equipped. Starting with there were only 248 Commando Cars built. Add the Convertible and options and you are around a dozen maybe less!"
