Our response to the Covid-19 pandemic: We strive to keep both our customers and employees safe during these times. We keep a small staff (about 3) here to limit exposure to you and us. All vehicles have been sanitized and are re-sanitized after each test drive. All keys are sanitized after each use and nightly as well. Desks are cleaned before and after each use. We have individually wrapped pens for our customers to use and take with them. All employees wear masks when interacting with clients, as well as we supply masks, gloves, hand sanitizer for those who don't have their own PPE to use.
