JUST ARRIVED!!

Far too often the word AFFORDABLE has little to do with the word RELIABLE. That is absolutely NOT the case with this 2009 TOYOTA MATRIX. Recently serviced with four fresh tires and clean Carfax - you simply must see and drive this fantastic little car to appreciate all that it has to offer. What an amazing first car this would be for someone! Automatic transmission, power windows, locks and steering - and one of the coldest AC's I can recall in some time; and at this price? How can you go wrong? Simply put, there's just not much to dislike about this one.

Don't let someone else get your car - call or stop by TODAY!

DO NOT MISS OUT!

Remember that we do things differently at Schneck Motor Company. Many say it - few do it.

Schneck Motor Company is a Wholesale/Retail operation. Most of our inventory comes from High-line, franchise store trade-in's. Our website gets traffic from both dealers and retail customers, the prices are the same! If you follow our website, you will get to browse the latest inventory immediately, the other advertising sites usually get them (+/-) 24 hours later.

We price our cars modestly and are almost always under the market value. No fancy lattes or bottled waters - just great deals on great cars. If you have any questions about this or any of our other vehicles that you've found online - please don't hesitate to call or text Jody Kirk - IMMEDIATELY - at 817-403-5482. There are three of us selling about 100 vehicles a month so if you cant reach us right away please leave a message or try us back as soon as you can.

Have a Trade-In? Great!

Need Financing? We can handle that too!

Just want to sell us your car? We do that as well!

It just doesn't get any easier than the way we do things at Schneck Motor Company.
