Vehicle Description

Introducing the Falcon 250cc Sport Style Scooter - the affordable alternative to big name sportbikes. This sleek and stylish scooter is a clone of the Kawasaki Ninja and Honda CBR/RR, but at half the cost. With a full front fairing, wind deflection and sportbike styling, the Falcon 250 will turn heads wherever you go. But it's not just about looks. This scooter packs a punch with a peppy 250cc powerplant and fully automatic CVT transmission, perfect for cruising with a passenger. Plus, with fuel of about 80 MPG, you can ride longer and farther without worrying about gas.
