\* OK, please read this section carefully: This is a WELL used CL500 with over 250K miles. The car was traded in. Sold absolutely with no warranty of any kind - if it blows up or brakes down the next day - it is on you. Pretty much everything works on this car and appears to be well taken care off, but due to 250K miles we are not offering any warranties on this car. No financing is available! The car has a few oil leaks. Passed SMOG. Cold A/C. Left plastic fender has a crack in it - the front

end is all original and it shows 250K miles on it - well pitted! ANY INSPECTION IS WELCOME. The BEST price in the country by far! Kelley Blue Book value is still above \$5K even with those miles!

\* Heated / cooled seats

\* Xenon headlights

\* Rear power sun-shade (works)

\* BOSE premium sound system

\* Multi-contour seats in really good condition, especially considering it's age and mileage!
