Ladies and gentlemen, I present to you this diamond in the rough of a 2005 Silverado Z71 LTZ. In a world where most of these are long forgotten about and neglected, we have this pristine example of a really nice, semi low mileage truck. The Dark green metallic paint looks to be in great shape and is quite a unique color. An aftermarket set of wheels wrapped in nice white letter all terrains complete the exterior look. The Z71 gives you all of the off-road options we've grown to love in a dependable and capable off-road vehicle over the years and the LTZ gives you all of the creature comforts we want. This includes leather, Bose sound, Heated seats, Memory Seating, and climate control. To top it all off this thing has been recently serviced for leaks (no more to be found!) and only has about 121K miles! That makes this one awesome truck to add to anyone's fleet, for work, fun, or as a daily driver. Financing is available and trade ins are welcome!
