**BEGIN!**

We are proud to offer you this 2013 Land Rover Range Rover Sport for sale!

This 2013 Range Rover Sport SC is a pivotal vehicle in Land Rover's transition into the luxury, roadgoing four-by-four SUV market. Given a supercharged 5.0-liter V8 that produces 510 horsepower and 461 lb-ft. of torque, this deluxe piece of machinery is designed to provide optimal comfort and maximum utility across a range of terrains, which is largely thanks to Range Rover's Terrain Response system. This system, in conjunction with the traction and suspension management controls, can be adjusted to give this versatile beast the maximum amount of grip and stability at any given time.

This level of high standard is carried into the interior, where Range Rover has gone above and beyond with their "High Standard Equipment" motto.

Included in this opulent SUV are premium leather panels on interior surfaces, an infotainment display with Bluetooth phone connectivity navigation, and a rear camera, and a sublime Harman Kardon Logic 7 audio system, among so many other fantastic amenities.

To us, what's outside the car is just as important as what's inside it, and this dominating Sport SC is no exception to this rule. Equipped with 20" Range Rover alloy wheels and painted in a striking Santorini Black, this SUV seems to have a timeless sophistication to it inside and out. And, with so many adjustable performance settings available at the touch of a button, there's no shortage of entertainment to go alongside every sophisticated feature. All Range Rovers are perfect for carrying passengers, hauling cargo, and enjoying the driving experience that only a true example can offer,

but this Sport is one that unquestionably looks capable of doing all of those things and far more.

**LIST OF FEATURES & UPGRADES:**

Supercharged 5.0-Liter V8 Engine

6-Speed Automatic Transmission

All-Wheel Drive System with Differential Locking

Terrain Response System

Tuned Performance Suspension
