Vehicle Description

AutoPark Dallas is thrilled to offer you this LOW MILEAGE 2008 Nissan 350Z Grand Touring for sale! We stopped for a second and thought of a checklist for the ideal sports car: two seats, lightweight body, rear-wheel drive, big wheels and tires, and curves for days. Everything fits perfectly with what we, AutoPark Dallas, claim is our bread-n-butter and proudly sell: the Nissan Z. Our 350Z goes back to its heydays with a hunkered down cockpit, knife-edged looks, and pushes corners like nothing with a stock 287 horses! If you love the Z or just want a fun eye-catching sports car, come check out our Nissan 350Z sitting in our indoor 16,000 Sq Ft Showroom located in Addison, TX amongst our inventory of 100+ other unique and luxury vehicles!

The team here at AutoPark Dallas, is dedicated to offering a level of customer service not usually found in the automobile industry. Thanks to years of extensive car buying / selling experience, we pursue quality used and new vehicles that are hand-picked from factory sources. Our love for automobiles and dislike of traditional dealership tactics is what motivates us to provide the service we do! The pride we take in continuing this service long after the vehicle has been delivered is what we strive for! Looking forward to making every effort to see that our customer is completely satisfied and a friend for life!

Pre-purchase inspections are always welcomed!
