We are proud to offer you this 2013 Fiat 500 Abarth for sale!

This 2013 Fiat 500 Abarth is one of the most exciting small cars to make a reappearance from the distant past. Powered by a turbocharged 1.4-liter engine made entirely of fun, this car has 160 horsepower and 170 lb-ft. of torque for a surprisingly swift driving experience. The power is put through a five-speed manual transmission and delivered through a front-wheel drive layout to the road, making for an exciting time behind the wheel without being uncomfortable or difficult to handle in the slightest. Inside, the 500 POP has sporty cloth seats with a red pinstripe, a leather “Abarth” steering wheel, and variable driving modes that include the beloved “Sport” option. To us, the outside of a car is just as important as every other feature, and this exciting little Fiat 500 is no exception to this rule. This hatchback comes equipped with 17” Abarth alloy and is painted in a subtle Nero (Black) with an Abarth cosmetic package subtly placed along the side of the car. In other words, this car looks fantastic, performs well, and will be a source of great excitement for many thousands of miles to come.
