We are proud to offer you this 1 OWNER 2007 Toyota Fj Cruiser 6speed Manual for sale!

This 2007 Toyota FJ Cruiser is the living embodiment of the endless possibilities of what can be done to a truck. Equipped with a 4.0-liter V6 engine that produces 239 horsepower and 278 lb-ft. of torque, this SUV is one of the most capable and long-lasting utility vehicles produced. With the engine mated to a six-speed manual transmission that offers high and low gearing, the ease with which this fantastic machine can be driven is unparalleled, and, with a four-wheel drive system for power delivery, the FJ Cruiser is always exciting to be behind the wheel of. Known for being more reliable than almost any other truck ever produced, this Toyota is the epitome of an unstoppable off-roader.

To us, what's outside the truck is just as important as what's inside it, and this well-kept FJ Cruiser is no exception. This specific Toyota has plenty of space inside for passengers and is more than capable of exploring all roads and terrains. Our Toyota FJ Cruiser has been painted in a Black Cherry Pearl with a white top, and it comes equipped with a set of 17" Toyota alloy wheels that perfectly suit the style of the truck and can handle anything thrown at them. This SUV also has a roof rack to maximize the cargo space available in the vehicle, making it perfect for overlanding or off-road adventuring.
