Modern running gear! The timeless visual appeal of an original Model T with the added bonus of a more modern drivetrain for great functionality. Registered as a 1923 Ford. Very rare bulb horn plus an electric Ooga horn. Seat belts installed.

1978 Ford 2.3L 4 cyl engine with automatic transmission. The engine and transmission have approx. 800 miles on them since rebuilt. Modern rear end and gearing for freeway driving. 12 volt electrical. Aluminum radiator with a thermostatically controlled electric fan. Electric fuel pump. Power assisted drum brakes with a modern dual master cylinder for safety. Recent tires.

Just a really neat car that is actually capable of freeway speeds.
