We are proud to offer you this 2014 Audi A7 Premium Plus for sale!

This Audi A5 Premium Plus is one of the most extreme and exciting performance sedans produced by Audi. Given a supercharged 3.0-liter V6 engine that works in tandem with a fast-shifting 8-speed automatic transmission, the A7 is designed to offer maximum performance in a car built for extreme comfort.

The 310 horsepower and 325 lb-ft. of torque produced in the engine are transferred to the pavement via Audi's patent all-wheel drive Quattro system. Where this car is truly unmatched, however, is in its handling capabilities. Audi gave the A7 sport suspension that offers a fantastic balance between comfort and cornering performance, which made the car many times more exciting and fun to drive than previous generations. This standard of high quality is carried into the interior, where you'll notice that every feature of this fantastic machine has been given the highest optioning possible thanks to its "Premium Plus" package.

Included in this package is a pop-up infotainment display complete with high-detail navigation, Bluetooth, and a rear camera, plush leather seating, and a Bose audio system, along with many other fantastic amenities.

To us, what's outside the car is just as important as what's inside it, and this exciting Audi A7 is no exception to this rule. Fitted with 20" Audi Sport alloy wheels and painted in a deep Mythos Black Metallic, this performance sedan is an example of the continuation of performance heritage that only Audi can provide. Combine those features with Audi's iconic body styling for this generation of vehicle, and this car is truly

unparalleled in every way. Perfect for cruising a coastal highway, driving to work every day, or anything in between, this sedan is the perfect car to put in your driveway today.
