Vehicle Description

It's Florida, so get out in the sun and have some fun! Spring, Summer, Fall, and Winter... in Florida...everyday is a good day for an adventure. Enjoy a type of fun only realized spending time with the family outside and the roar of a gas powered fun machine.

This small bodied, streamlined youth dirt bike is powered by a dependable, 60cc, 4 stroke motor. No need to mix gas and oil with this one. The Junior is easy to handle, transport, and fuel. It comes equipped with disc brakes on the front and rear, adjustable mono-shock rear suspension. The body work is made of heavy duty ABS plastic; resistant to bending or denting. The styling and improved engine design will ensure a ride that is a cut above. This is the only model of dirt bike we offer that comes pre-equipped with training wheels.

This 60cc Dirt Bike is lightweight and low maintenance, making it perfect for casual yard, field, and trail riding. Emphasizing safety and consideration, this youth dirt bike is equipped with the most helpful safety features available. This high quality Dirt Bike will provide an abundance of fun & memories.
