Colors are GT Silver Metallic outside with black/Bordeaux leather inside. The 3.0L twin-turbo boxer-6 engine produces 450HP, grips with AWD, AND gives you 26mpg highway!! This is the Gen II 991 (991.2) Carrera GTS and like the rest of the series, it received a number of updates over the first generation including a new 3.0L turbocharged flat-six engine, various exterior styling upgrades including new front and rear bumpers, new door handles, redesigned air intakes at the rear to improve airflow, dark tinted 3D taillights, and the same vertically slatted engine cover as the rest of the line-up.

The GTS styling changes are more significant on the interior with a new steering wheel inspired by the 918 Spyder and an updated touchscreen infotainment system. The system also has Apple CarPlay, mirroring

infotainment system. The system also has Apple CarPlay, mirroring your iPhone. Overall, the GTS appeals to the enthusiast who would like a 911 GT3 but is not prepared to put up with the on-road compromises inherent with such a track-orientated car and it fulfils this position perfectly in true Porsche style.

This fine example has never had any previous damage, verified by Carfax. FULL WRAP Extended Warranty protection available.

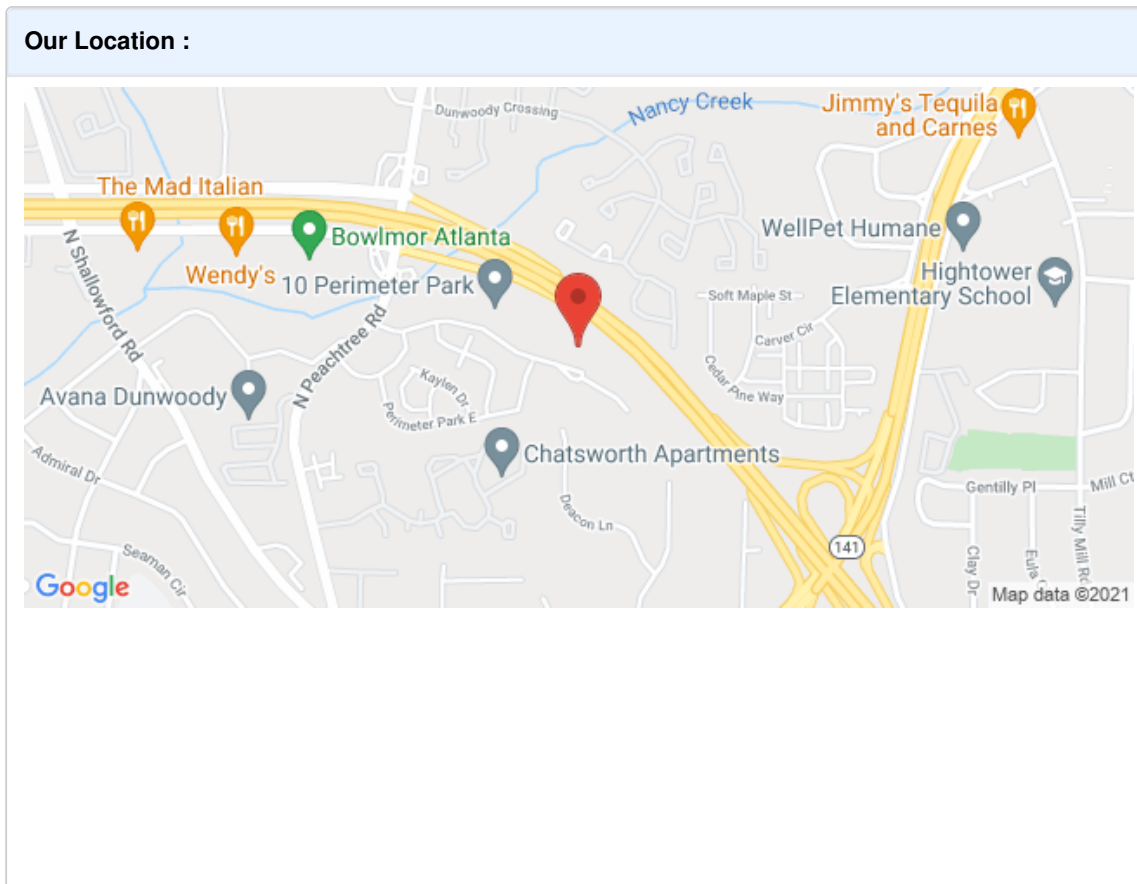

Your purchase of this vehicle includes books/manuals, 2 keys with remote, and full set of floor-mats. It will also be delivered clean and full of gas.
