**BEGIN!**

We are proud to offer you this 2015 Ford Mustang GT Premium with Many Upgrades for sale!

This modified Ford Mustang GT Premium is an aggressive example of high-performance American muscle. Under the hood, a 5.0-liter V8 engine that produces 435 horsepower and 400 lb-ft of torque has been extensively modified with a Vortech centrifugal supercharger, FIC injectors, and a Corsa exhaust system, among many other things. Per the manufacturer, this supercharger kit is capable of boosting the car to 630 horsepower and 483 lb-ft Torque with 7.5 to 8.5 psi on 91 octane fuel. Between the supercharger and extensive supporting modifications, this muscle car's power output is drastically increased, as is the sound from its exhaust. Painted in a mesmerizing Deep Impact Blue and fitted with 18" F / 17" R VMS Racing drag pack wheels, this thoroughbred American muscle car attracts all sorts of attention due to its aggressive looks. The interior is no less exciting, either, coming equipped with leather bucket seats, an infotainment with Bluetooth, navigation, and rear camera, and an nGauge boost gauge and diagnostic unit.
