Reeds Motorcycles "1985 Harley"

Reeds Motorcycles presents this 1985 FXR Custom Pro-Street Conversion with all the modern conveniences of a motorcycle that will appeal as a "Show Stopper." Stock #2512 has a low mileage of Zero to begin it's service. FXR's were designed to be better than the average motorcycle due to the Evolution engine and the lighter frame. This motorcycle was extended into not only the handling changes, the

was extended into not only the handling changes, the performance changes, but also the touring additions by Harley available additions, present an outstanding unique appearance. The obvious S&S upgraded Super E carb along with the 80 cubic inch engine offer enhanced performance for modern times. Belt drive of course offers smoother riding and less vibration. The FXR overall rating was 67.8 as produced. Due to the changes made, this "one of a kind" custom design ends up with 89.1 with enhancements to the "Fun Factor" as well as the "Design and Look."

At our price of \$6,999, this creation is certainly a value to own.

This can be your new bike... or an inexpensive addition to your current collection of motorcycles.
