The ultimate Tiger 800 is ready to take on any challenge. Featuring a host of rider focussed technology, the XCA boasts an incredible level of standard equipment designed to maximise comfort and convenience on even the longest of journeys.

Equipped with traction control, switchable ABS, 3 Rider Modes, and a second generation 95PS 800cc triple engine with a seamless flow of torque, the new Tiger 800 XCA goes further still. Standard equipment includes heated rider and passenger seats, heated grips, LED fog lamps, and an uprated 650W alternator complete with 3 auxiliary sockets that can power everything you need from heated clothing to GPS systems. It also features aluminium pannier rails making it ready to tour with the optional Expedition luggage set.
