This truck is being sold on consignment for a premier waste hauler located here in Salt Lake City. Truck has been meticulously maintained over the years and is ready to continue picking up dumpsters now. Motor was overhaul in 2018 with less than 125k miles since it was done at the dealer. We have paperwork (\$26k job). Hoist is set up to run three different size dumpsters. With its heavy specs and auto transmission this really is the right tool for the job.

If this truck is on our website it is available. [www.BigCityRigs.com](http://www.BigCityRigs.com) - 801.889.0714 - Dealer 225B
