This is a Unused 68" cut Heavy Duty 3 blade Brush Cutter/ Shredder and is the perfect skid steer attachment for your land management needs. Tough brush and small trees are no match for this American Made brush cutter. The technology of this unit only requires 16 GPM for it to run smoothly and is functional for skid steers 50 HP and up. No case drain required. This unit works well with both standard and high flow machines. Quick connect couplers are included. It is work ready.
