At our dealership we work very hard to accurately describe our vehicles through text descriptions and elaborate photos. We hand select each vehicle we put on eBay. The vehicle shown is ALWAYS the vehicle being sold. When you purchase any pre-owned vehicle it is not a new vehicle. Any pre-owned vehicle can/will have normal wear such as, but not limited to, minor scratches, scuffs, chips and regular interior wear. Our dealership works very hard to accurately describe our vehicles through text descriptions and elaborate photos. It has normal wear, which may include a few scattered rock chips, light scuffs, and gentle interior wear, our policy is to disclose anything beyond that and we encourage pre-purchase inspections. Please look over the photos carefully as they are part of the description. Our sales staff in Missoula, Montana is available to assist in answering any specific cosmetic questions and will gladly walk around the vehicle to give you a more accurate description BEFORE a deposit is left.

Our listing software provider allows the VIN to decode the ORIGINAL FACTORY EQUIPMENT that this vehicle had when it rolled off the factory line. There may/may not be additional dealer equipment that was added by the original selling dealer that will not be listed in this section. There may/may not also have items listed as original factory equipment that are no longer with the vehicle we are currently selling. For example: 2 sets of keys, keyless entry remotes, owner's manual, factory floor mats, Navigation discs, first aid kits, factory tires/size/load rating, etc. Please refer to the photos we have taken or ask us your specific concern to be certain there is no confusion. We will not be responsible for any discrepancies between the Original Factory Equipment section and what is presented in the photos or description. Please do not assume and allow us to put our answers to your specific concerns in writing. Montana Motor Mall is fully responsible for all content in this listing. Human error is possible and we reserve the right to reverse any sale based on pricing/listing error which can occur at any time without notice. All inventory is listed for sale locally, therefore all are subject to sale at any time and may not be available. Everyone is encouraged to call with questions or concerns.
