This is a Holiday Rambler Endeavor 37CDS with the Cummins 275hp Diesel with an Allison 6speed Auto trans.

We completed an inspection on this RV and the following shows the results of our findings:

Text 864 245 0730.

The engine runs good.

The transmission shifts good.

This motorhome originally had an Onan Diesel gen. We can have a used Onan diesel 7500 installed for \$2500 with approx 1k hours.

The engine or dash AC seems to

The engine or dash AC seems to maybe need a little freon gas to make it cold.

This motorhome was just driven approx 200 miles with no issues. There are 2 roof AC units. The front AC works. The rear AC blows heat when it is on AC, so, the reversing valve is bad and can typically be replace for about \$300 or so.

The LP system works, Water Heater and Stove top we could not check since it is out of LP gas.

It has old tires that need to be replaced, approx \$1850 for 6 new.

The microwave turns on, although we did not cook anything in it.

The water system works.

The fridge works.

A few of the lights do not work as you can see in the photos, most of the time, the bulbs are bad.

Most of these older motorhomes really need the oil, oil filter, fuel filter changed on both the engine and the generator.

The jacks and slide work.

We did NOT check anything else.

If you do not see it, or I do not show it functioning or it is not listed in this description, the I did NOT check it, it is missing or similar. The only items checked are listed or shown in photos.

This RV is older and a little dirty and it could use a good cleaning, it is 22 years old and used. I tried to take a lot of photos so you can tell.

It needs the carpet replaced, the carpet has a mild cat pee smell. Some of the tile are loose, so it really needs new tile and maybe some floor work. I mean since the tile are loose, the floor may have some soft spots. The upholstery has some cat pricks and needs to be replaced to make it nice.

For the buy it now price of \$24999 we will include the following:

Onan diesel gen installed  
oil, oil filter and fuel filter change on both the engine and generator  
Wiper replacement  
Full tank of Diesel and LP.

This means that you have the opportunity to purchase cheap, fix it up and sell for a profit if you so desire.

For any other price those items would NOT be included.
