### Vehicle Description

Don't look at this truck unless you are looking for a double nice truck loaded up with all the available equipment and a clean Car Fax history on a Texas truck. If that is what you have in mind then start looking a this hard to find truck that is in this nice of condition. There is so much equipment on this truck that I am not going to try and list it all. There is a picture of the window sticker in the photos so seek it out and take a look at it all. This truck is a two owner west Texas truck equipped with the HEMI engine and a 4x4 that runs and drives just like it looks. This has been the most popular truck on the market for quite some time now and for good reason. We have had it checked out for any mechanical or electrical issues and it came back with a clean bill of health. We had a new inspection sticker done detailed to the max so it is just like a new truck. Should you have any interest at all in this truck and would like to come in to check it out then give Rocky Reynolds a call or text at 214-542-7794 and he will be happy to work with you for a convenient time for you to come in. We are a family owned and operated business in Texas since 1959. We opened right after Columbus discovered America. We would appreciate the opportunity to earn your business. Financing is available at Bank & Finance company's that we deal with. Look forward to working with you on your next vehicle purchase.
