Economy:	City 15 / Highway 21

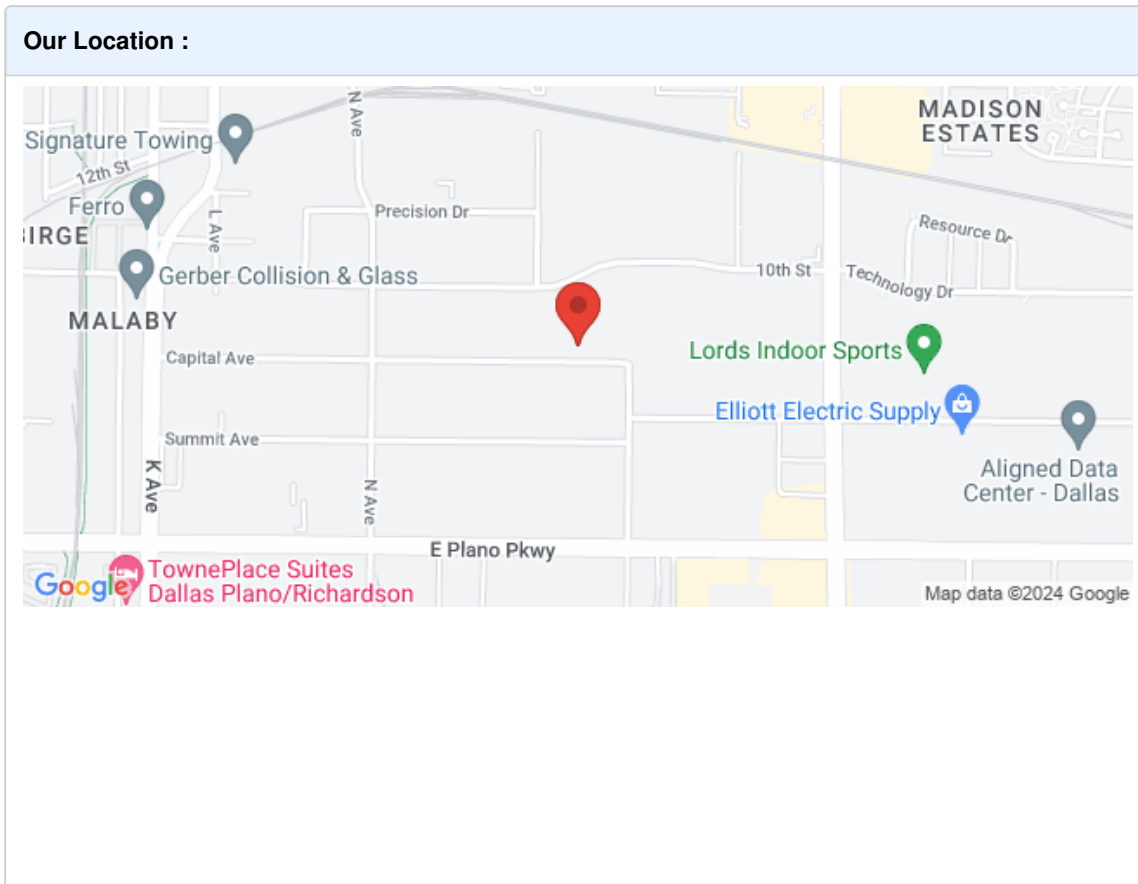

WOW! Look at the miles. We are offering this 2014 Ford F150 with extremely low miles that was just in off of Lease. It is nicely equipped with convenient options like power windows and door locks, tilt wheel with cruise control, ice cold a/c and a trailer tow package. It has the 5.0 V8 engine so it is well equipped to pull a trailer if necessary. This truck is very clean both inside and out and runs and drives down the road excellent. There is a bedliner in this truck and has been since it was new. Also, there is an excellent set of matching tires on it and a spare that looks like it has never been used. We have had it inspected for any mechanical or electrical issues and it came back with

a clean bill of health. It is available for one of our extended warranties if your interested. We have many more work related trucks available. Reynolds Auto Group is a family owned and operated business in Texas since 1959 providing inexpensive work related truck and vans for the working people. If you have any questions or would like to make an appointment please call or text Rocky Reynolds at 214-542-7794 and he will be happy to work with you. We would appreciate the opportunity to earn your business.
