Model/Trim:	Softtail Custom
Condition:	Pre-Owned
Engine:	1450 cc V-twin
Exterior:	Burgundy
Mileage:	15,370

Description from the owner:

"2000 Harley Davidson Heritage Softail

This is a one-of-a-kind Harley designed for a subtle, old-school look but with modern mechanicals and go anywhere in comfort. This is the first year of the new counter balanced, single CV carb, Twin Cam 1450cc engine.

It is smoother with much less vibration that previous engines and fits nicely into the (new redesigned for Y2K) softtail frame. The FLSTC has a one-piece fuel tank and built-in fuel gauge on the left side dummy cap.

Exceptionally clean and ready to go. The previous owner spend many hours on a complete refresh, disassembling the bike and detailing everything. I have added new Bates Baja tires from Lowbrow Customs for a bold look and De Rosa solo saddlebag with fuel/fire extinguisher holder. The bike is set up as a solo ride but will include a rear seat and pegs if you want to convert it. The bike rides great and pulls like a freight train.

Servicing done in the last 500 miles:

New engine oil (synthetic) and filter. New filters included

New primary oil (synthetic)

New trans oil (synthetic)

New fork oil (HD E-type)

New brake fluid

New brake pads

New plugs

New plug wires

New maintenance free battery
