antenna, cruise control, power 4 wheel disc brakes and more, this car is loaded with every option that was available. Not one chip, door ding, dent or scratch on this car! all Original paint, garaged from new!!

Purchased new at Anaheim Mitsubishi in Oct 1997

Absolutely immaculate in and out, adult owned with documented owner ship history, recently out of a large private Mitsubishi Collection specifically of rare AWD Turbo 3000 VR4's, Lancer EVO's and GSX cars predomontalty.

This car drives like it is brand new, tight, straight with no issues, upgraded larger sway bar for more precise handling have been added as well.

Factory Leather interior looks and still smells new, this car has never been smoked in as well. Pampered from new and it shows, most all these cars were beat to death and thrown away, this is an investment/collector quality car that are now starting to skyrocket in price!

Perfect and Clean CarFax available, car has never been hit or painted, all original body panels, car still retains it factory Vin# barcode decals on all points of the body, (see pics)

Performance upgrade features include:

Performance work done by Road Race Engineering in Santa Fe Springs California, Upgraded to 2.4 Liter, Carbon Concepts Turbo vented hood, B&M short throw shifter, Garret GT 35R Turbocharger,272/272 cams, ACT
