*****HAIL SALE*****

*****CALL HOLDEN - TODAY - 817 975
6252*****

Why is this 2014 Volkswagen Jetta GLI Edition so under-priced? Because it has hail damage - that's why! What we often refer to as "heavy rain" - but that shouldn't stop you from putting it on your short list.

This vehicle is being priced under wholesale value BECAUSE OF THE HAIL. If you can live with the dings - the car itself runs and drives like a dream. The only negatives that I can find (other than the hail) is that it will need two front tires sooner rather than later and it comes with one key.

Such a nice car - surely will not last long. Call today!
