* If you are looking at this AD you probably know what you are looking at - this is not your average LS430 - this one has \$13,570 Ultra Luxury pkg - also known as just ULTRA! This is a big deal - and the most loaded LS money can buy. Not that many people know this package actually exist and usually we sell these things to people who previously owned the same car. This generation LS is by far the best business class Lexus ever made and the most comfortable - much better ride quality than a brand new one - we checked - it's absolutely unparalleled driving experienced and reliability - absolutely nothing rides this way
