Let's Talk Options

The main attraction to this little jewel is not having a dinette at all. Yes, you heard right, no dinette! One comfy swivel rocker and one comfy swivel chair with the greatest view. A rear corner dry bath, a queen sized bed, some stainless steel appliances, and a surprising amount of storage is all you need. Pump in some A/C or take a breather under your optional power awning with LED lighting, the choice is yours.
