2017 Ford Escape Titanium

Ford's economical AWD SUV fits a widely demanded piece of the market. Centered around practicality and polished with the platinum trim package, this Escape will make a new family very happy. Leather seats are comfortable and easily cleaned. The second row has just enough room for car seats, and the trunk is adequate for a full month's worth of groceries. As an AWD SUV, it sits with more ground clearance than a car making an ideal winter driver in this snowbelt climate. The Sony premium audio system pumps music through the speakers using Ford's signature Sync infotainment system. See why this vehicle fits the mold of practicality and drive it home today.
