<b>Drivetrain:</b>	4 Wheel Drive

*Arizona Classic Car Sales* is thrilled to offer this 1979 Full Size Gen 2 Ford Bronco 4x4 that was originally sold on 05/09/79 at Sanderson Ford in Glendale Arizona. It has spent its entire life in the Phoenix area. This highly optioned Bronco was originally ordered in Wimbledon White with the Chamois/Orange/Russet Multi Color Striped Free Wheeling Package, per the included Deluxe Marti Report. Other options include, 400-2V Engine, Ammeter and Oil Pressure Gauges, Skid Plates, Tilt Steering Wheel, Sport Steering Wheel (Excellent Condition), Handling Package, Air Conditioner, Flip/Fold Rear Bench, Tinted Glass, Privacy Glass, Console(missing), Secure Lock Group

(Locks Hood), Auxiliary Transmission Oil Cooler, Super Cooling Radiator, Increased Capacity Fuel Tank and Ranger XLT Package. The interior was re-upholstered at some point in its life in a Black/Grey fabric. The Chrome and Trim on the exterior of this Bronco are in Excellent condition as would be expected living in an arid desert environment. The Center Console is missing but can be found if desired on Ebay. This bronco is powered by a strong 400 V8 paired with a three-speed automatic transmission and a two-speed transfer case. The stereo deck and speakers are upgraded, and factory air conditioning blows cold. If you have been looking for an everyday driver, this is your vehicle. The Rancho Suspension and tasteful lift match well with the 18' polished rims and Goodyear Wrangler 35"(275/70R18) tires. This is one of nicest true no rust Arizona Survivor we have ever seen, just look at the undercarriage and engine compartment. The person who ordered this Bronco almost checked every option available other than the cold weather packages. The 78' and 79' full size Gen II models are the rarest Broncos produced. It is even harder to find examples that have survived without restored or rusted out.

The Original Option Free Wheeling Package Stripes can be added by AZCCS for an extra \$1000 if you prefer to have them added before delivery.
