**Mileage:** 15,788  
**Drivetrain:** Rear Wheel Drive

1930 Ford Model A Roadster

Own a unique piece of American and automotive history. This Model A has been fully restored and upgraded by LaRock Restorations in Erie County, New York. The custom beige interior was done by Cookie interiors. The steel body was built to withstand the tests of time. Most of that steel is original, too. Only the hood, doors and rear fenders are reproduction steel. LaRock did the painting too, using a Dupont two-part epoxy.

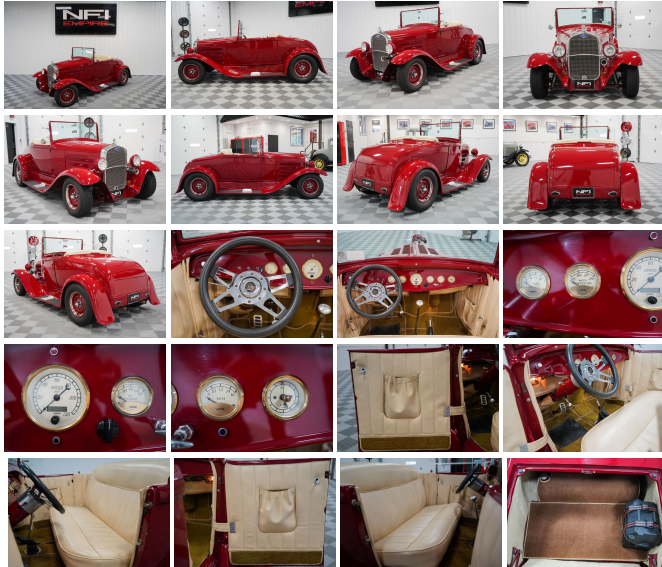

Under the hood is a Chevrolet 4 bolt main 350 small block V8 with shorty headers built by Spina Engine Shop and a turbo 350 transmission. An 8" Ford rear-end with a 4-link suspension sits under the Z'd and boxed frame. The front end is a Heidts Superide 2 with tubular A-arms, chrome coil-overs 4 puck stainless steel corvette disc brakes and rack and pinion steering. Cooling is achieved with a Walker radiator and the 2" stainless steel exhaust hosts a couple of Flowmaster HP2 mufflers. Additionally, the dash holds VDO gauges and a vintage air heater. A tilting and telescopic steering wheel from GT Grant puts you in control. This machine is one-of-a-kind, come see it today.
