2008 GMC Sierra 2500 HD SLE

Ride in style in this luxurious interior from GMC. Black leather seats are in great shape, more comfortable today than when they rolled off the line in 2008. SLE trim package includes various niceties such as heated front seats and 3 drivers' seat memories. An aftermarket Sony infotainment touchscreen display operates the radio, integrates with your phone and includes a backup camera. There's room for the whole family as well. The Crew Cab offers enough room to comfortably fit adults, car seats and/or groceries. Additionally, the 8ft bed holds great utility for payload with a capacity of 3,400lbs.

Tried and true, an Allison 6-speed transmission controls the output from GM's 6.6L Turbo Diesel. Tow up to 9,700lbs with ease thanks to 365HP and 660lb-ft of torque.
