Schneck Motor Company is a Wholesale/Retail store. Most of our inventory comes from High-line franchise store trade-in's. Our website gets traffic from both dealers and retail customers, the prices are the same! If you follow our website, you will get to browse the latest inventory immediately, the other advertising sites usually get them 24 hours later. Many of our cars sell within the first 24 hours to dealers and regular customers who check our site daily. We price our cars modestly and are almost always under the market value, unless the unit has crazy awesome extra equipment. When visiting our store, you will find out why we have been called "The best kept secret in Plano, Texas". COME FIND US! It will definitely be worth the trip.
