Someone looking for a small SUV that is very dependable and gets decent gas mileage then we have one for you here. This Toyota Rav 4 is a super nice SUV loaded up with equipment and looks, runs and drives excellent. It has a clean Car Fax history with a lot of service history and it is a local vehicle. The cloth interior is stain free and has no holes or worn spots anywhere. The exterior is as clean as the inside as well. You can tell by looking that the previous owner took pride in ownership judging from the overall condition of this little SUV. Just to name a few of the many options like steering wheel controls, power sunroof, back up camera, navigation system, alloy wheels, and much, much more. It also has a real nice set of Michelin tires all the way around on it. You get all of this plus dealing with a family owed business that has been around since 1959. We like to say we don't sell cars we give people the opportunity to buy a vehicle from us. In other words there is no pressure from us to buy anything. You make the decision and we will do the paper work if you choose to move forward. We do it the old fashion way. Come see us, you won't regret it.
