Vehicle Description

AutoPark Dallas is thrilled to offer you this 1-OWNER 2007 Toyota Tacoma X-Runner for sale! An interesting decision from Toyota to make a Tacoma a "sporty / performance" look that they call the X-Runner edition. Some of the factory specs this X-Runner edition involves is a factory-lowered sport suspension with specially tuned Bilstein shock absorbers, limited to only a 6-speed manual transmission, bit of a hot-rod look with skirts plus hood scoop, and limited-slip differential. All-in-All, an odd little truck that serves as a solid option between sporty and practical! If your in search of a 'small job' truck or want to spice things up with a 6-speed V6, then do not hesitate to check out this Tacoma parked here in our indoor 16,000 Sq Ft Showroom located in Dallas , TX amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
