Looking for a full size SUV loaded up with all of the equipment and a good clean Car Fax to come with it? Then you might want to come check this one out. To top that off it is a One Owner Texas vehicle that has been well cared for by it's previous owner. We have had it checked out for any mechanical or electrical issues and none were found. Look at all of the pictures and see what you think about it. If you like what you see and would like to come in and check it out you can give us a call or text to Rocky Reynolds at 214-542-7794 and he will work with you for a good time to come in. We are a family owned and operated business in Texas since 1959 and take a lot of pride in the vehicles we stock for our customers. We go to great lengths to try and get the best used vehicles available. It is especially hard right now in this market that we are in and a limited availability of nice used vehicles. SUV's and trucks are extremely hard to find right now and that is what we specialize in. We would really appreciate the opportunity to earn your business.
