Subaru is one of the best used SUV's on the market today. This one is a cut above all of the rest. This is one of the nicest used vehicles that we have come across in quite a while. These days people seem to be using up their vehicles before they trade them in. Not this one. It is flawless for a 2015 model car. Look at all of the pictures and I think you will agree that it looks very nice. Come in and take a look and you will be more impressed. The paint shines like a brand new one and the off-white leather interior is flawless. It doesn't even show any signs of wear. It's also a non-smoker's vehicle. When you get behind the wheel and drive this vehicle you will be highly impressed about the way it runs and drives. It has a clean CarFax history and plenty of service history as well. It appears that all of the service has been done at a Subaru dealership since it was new. We are a family owned and operated business in Texas since 1959 and this is the type of vehicle we like to buy so we can keep our old customers and this one will make another lifelong customer. If you are interested in coming in to check it out, please give Rocky Reynolds a call at 972-943-7799 so he can work with you on a good time for you to come in. We would appreciate the opportunity to earn your business.
