Lease return just in. This is a super clean Ford F150 Super Cab XLT that is in excellent condition both inside and out. It just had and 90K service done. We have had it checked for any mechanical or electrical issues and it came back with a clean bill of health. The exterior of this truck looks as good as new and the paint shines like a new one. The cloth interior is in fantastic condition and has no rips or tears anywhere. It's virtually spotless. This truck has a working type of shell on it with a rolling center floor that will slide out to allow access to anything that you have on the floor of it. Check the pictures and you will see what I'm talking about. The storage bins on it are in real good condition and the doors on it work like they should. Now get behind the wheel and drive this truck .and you will be very pleased at the way it runs and drives. The a/c is ice cold, and all of the power equipment works like it was designed to. What more could a person ask for. A nice looking, good running and driving truck that will make you money and give you years of service. We are a family owned and operated business in Texas since 1959 providing the working people with vehicles that help them make money. We would appreciate the opportunity to earn YOUR business. To make an appointment or just ask some questions please call or text Rocky Reynolds at 214-542-7794 and he will be happy to try and help you in anyway he can.
