We are proud to offer you this 2013 Fiat 500 Abarth for sale!

This 2013 Fiat 500 Abarth is the quintessential Italian hot hatchback. Powered by a turbocharged 1.4-liter engine, this car produces 160 horsepower and 170 lb-ft. of torque, which is put through a five-speed manual transmission and delivered through a front-wheel drive layout to the road. This makes for an exciting time behind the wheel without being uncomfortable or difficult to handle in the slightest. Inside, the 500 has leather bucket seats, plenty of interior amenities, and the ability to switch the car into “sport” mode, which heightens the overall responsiveness of this hot hatch. This hatchback comes equipped with 17” Abarth alloy wheels and is painted in a bright Rosso Red with Abarth cosmetic decals placed along the side of the car. In other words, this car looks fantastic, performs well, and will be a source of great excitement for many thousands of miles to come.
