Vehicle Description

Late 1970's vintage built Hot Rod. Yellow/orange pearl exterior with a brown interior. Painted, or at least pinstriped by Hot Rod Hall of fame member Art Himsel in 1979. Exterior presents well with some expected wear after 42 years. Chrome is good.

Interior is brown vinyl/velour. Power windows work great. Gauges seem to work. Tilt steering column.

Engine is a 1973 350 according to the stamping on the pad. Edelbrock 4 bbl carb and intake. Sanderson exhaust manifolds. 5 blade flex fan plus an electric pusher fan. Air conditioning is installed and I will test it soon. Manual front disc brakes and steering. Turbo 350 transmission. Ford rear end. Chrome steel wheels with baby moon hubcaps and wide whitewall tires. Fuel tank is in the trunk.

This car is being sold to settle an estate. Runs and drives good. Clean California title with black plates. Registered as a 1930 Ford. True mileage unknown.
