You have found a very sought after Ford F350 powered by the bulletproof 7.3 Powerstroke turbo diesel coupled to a 6 speed manual transmission. It is fitted with a 12ft 6in metal flat bed that has a tool box underneath, tie down loops and stake bed holes. and tow package. The Engine runs great, no oil or fluid leaks and no blow by. The clutch is strong, no slipping, it drives real good on a very nice set of tires. Everything electrical works as they should, the a/c is ice cold, the heat is hot. There are no dents or damage to the cab or body the interior shows little to no signs of wear. This is a very presentable

truck that looks a lot newer than its years, has plenty of life left in it if taken care of.
