Vehicle Description

AutoPark Dallas is excited to offer you this 2007 Ford Mustang Shelby GT Premium for sale! Most consider 2007 to be a bizarre year for the Ford Mustang, as many of the Ford dealership around the United States began offering different types of unique packages. One thing was for sure was Ford Performance introduced their own limited production GT that was all the Shelby style but without the headache of a Supercharger. A more street friendly Mustang, the Shelby GT has only 5764 produced and was ONLY made in the year of 2007 which just shows how much of a collectors car this Pony is! If you're looking for American Muscle or an amazing piece of Ford history then swing by our 16,000 Sq Ft Showroom located in Addison, Tx. to check out this Mustang parked amongst our 100+ inventory of other unique and luxury vehicles!
