We are proud to offer you this RARE LOW MILEAGE 2001 Ford F-150 SVT Lightning for

sale!

This 2001 Ford F-150 SVT Lightning is a spectacular example of the most iconic performance truck ever made. Under the hood, a supercharged 5.4-liter V8 engine produces 380 horsepower and 450 lb-ft of torque, which is sent through a four-speed automatic transmission to the rear wheels. This engine also produces an incredible sound, made even more so by the fitment of an aftermarket Bassani exhaust system that takes the sound to the next level. Painted in a shining Silver Metallic and fitted with 18" SVT alloy wheels, this rare truck has an iconic look that has been kept in unbelievable condition since it left the factory. The same can be said of the interior, which remains in factory condition save for the addition of JL Audio subwoofers and a Kenwood radio with CD, AM/FM radio, and Bluetooth.

LIST OF FEATURES & UPGRADES:
