Hard to find Medium roof T250 Cargo Van. It is a one owner vehicle with a clean Car Fax history with no accidents and 25 service histories on Car Fax. It is equipped with the 3.7 V6 turbo engine coupled with a six-speed automatic transmission. This cargo van has a bulkhead and rubber mat in the rear since it was new, so the floor is in good condition. There are power windows and door locks with a tilt wheel and cruise control as well. The van runs and drives excellent and has no mechanical or electrical issues. We have had a 60-point inspection done, and everything checked out good. It is eligible for an extended warranty if you are interested, and we have Bank Financing available as well if you need help in finding a lender for a commercial vehicle. We are a family owned and operated business in Texas since 1959 and would appreciate the opportunity to include you in our customer base. We are easy to deal with and still do business the old fashion way. If you should have any questions at all regarding this vehicle you can either call or text Roy Claggett any time at 214-450-9664 and he will be happy to try and help you in any way he can. We look forward to hearing from you.
