Vehicle Description

A hard to find One Owner Clean Car Fax with ton's of service history. This is a super nice truck that is equipped with the 5.0 V8 engine that has been around for a long time. It has a few options like tilt wheel and cruisecontrol, power windows and door locks, automatic 4WD, and much more. We have had this truck serviced and inspected and it checked out reallywell. This truck is super clean both inside and out and the previous owner took exceptional care of it as you can tell by all of the service history. The only thing you can pick about this truck is it has a little hair damage on the hood that we are going to have fixed ASAP. As you probably know finding a truck with 4WD and four doors and a one owner vehicle for under 20K is hard to find these days. We take a lot of time in picking the vehicles that we will sell to our customers because they expect a good vehicle at a fair price for us. We are a family ownedand operated business in Texas since 1959 and would like to have an opportunity to earn your business. Should you have any question at all about this vehicle please feel free to give Roy Claggetcall or text to 214-450-9664 and he will be happy to try and answer them for you.
