2018 Jeep Wrangler Unlimited Rubicon

A one-owner, low mileage Rubicon is a hot commodity these days when new inventory is impossible to come by. That's not all there is to love here with this JL displaying luxury on the inside and capability on the outside.

Inside are the Jeep-badged, Katzkin + Mopar leather heated seats which feel great and couple well with the heated steering wheel, especially on cold mornings.

Powered by the 3.6L V6 this Jeep makes 285 horsepower and 260lb-ft of torque, plenty of muscle to hold its own off road. An 8-speed automatic transmission provides a nice balance between capability and fuel economy. Electronically locking front and rear differentials and electronically disconnecting anti-roll bar in the front provide peace of mind to off-roaders regardless of experience. Further, strengthened Dana 44 axles and low gearing round out the notable performance features off the assembly line.
