Vehicle Description

Metallic red exterior with black vinyl top and black vinyl interior. Great running 200 6 cyl with automatic transmission. Ice cold vintage air conditioning. Power steering and power drum brakes. Custom Autosound stereo with rear 6x9 speakers and front speakers in custom kick panels. It appears the majority of the restoration was done about 15 years ago and has held up well with some visible flaws. Solid original black plate local car. Does not appear to have ever been a rusty car. Runs great. Clean California title in-hand. Affordable classic!
